St Paul's

Our Choristers and their families certainly made good use of the London trip; even those who travelled up to the capital just for the day, packed a lot into those four hours.

What a joy it was to sing in this magnificent building! What a joy too to see so many Broughtonians in the congregation, causing the Cathedral to run out of Service sheets and even seats!

... and Evensong went well; **the Choir has already been offered a date in 2010!**

Convent of Notre Dame Parbold

Oh so different was the Service, sung by the senior boys and men, in the beautiful Chapel of Sisters of Notre Dame de Namur. A quiet, prayerful atmosphere pervaded the Church, as music and readings helped us all reflect on the Feast of Pentecost.

... such moments are ones to treasure!
