Dear John and Ian,

I am sorry that I don't have a home address for either of you to send a more formal letter.

I just wanted to e mail and say thanks for Evensong last night. I have heard very good reports about the choir's ability and behaviour as well as the organists accompanying.

We are aware of the hard work that goes into preparing for an occasion like this, as well as the long journey you all made.

The Choir would be very welcome back should you wish to be looking for a return visit and I hope that all of you enjoyed the experience.

With thanks and all best wishes

Fr Jason
